## H. S. Board Fills Vacancy, Eyes CD Contract

Mrs. Helen Kopriva, 475 Winsor Drive, Antioch, was appointed by the Antioch High School Board to fill the vacancy on the board left by the death of Lorraine Cheetham at Wednesday night's regular meeting.

Mrs. Kopriva will fill the vacancy until the regular election on April 11, 1964. At that time, candidates may run for the two remaining years of Mrs. Cheetham's term.

A representative of Jedele & Cain, accountants, was present at the board meeting and reported on the investment program of school monies. William Brook is chairman of the investment committee.

School tax money invested in Treasury bills as of Nov. 30, 1963, if left to maturity—and the committee feels that they can be—will bring the school \$12,000.00 in interest. It is possible that the income from the bills will realize an even larger amount than this, as the interest from earlier-maturing bonds can be re-invested. Albert Dittman, superintendent, commented that the investment program is made possible by the speedier dispersion of school tax money under the new county system.

A Civil Defense survey by the Federal government of the ventilation and heating tunnel under the new addition to the school, made about a year ago, showed that the tunnel had a capacity of 75 people for potential use as a fall-out shelter. A re-survey by the Federal government last week showed an error in earlier figures and a capacity of 500 people.

A committee composed of Robert Denman, Roger Proise, and Milburn Cain are investigating with Attorney Ted Larson the obligations incurred by the board should they sign a contract with the Federal government designating the tunnel as a fall-out shelter. The government stocks the tunnel with various supplies, if the board signs the contract.

Assistant Superintendent Warren Polley, the school's representative to the Special Education District of Lake County, reported to the board on the activities of the District. The Board voted to renew membership in the District for next year. The cost is \$1.00 per student enrolled in the High School, or \$930.00 for Antioch High School's share. The Board stated that they felt the advantages of belonging to the

Special Education District are great.

Superintendent Dittman reported to the board that the school is now mailing newsletters, etc., to parents at third class rates. With enrollment steadily increasing, the cost of mailing raised proportionately. Letters mailed at a cost of about \$40.00 are mailed at a cost of about \$20 with third class rates.

A report was made by the Building committee, comprised of Milburn Cain, Boyd Osmond and Richard Ripley, on an investigation of the possibility of reducing the cost of a proposed structure to be built at the new athletic area. The structure is planned to include team rooms, and washrooms to accommodate about 1,500 people.

## Sequoits To Try Repeat Of Victory

Antioch's Sequoits will try to repeat as Champions of the Fenton Holiday Tournament Thursday, December 26th, when they go up against Fenton High School in their first game of the tournament.

Tournament action will start Thursday at 1 p.m. with Reavis going against Lake Park. Ridgewood will take on Bremen at 3 p.m. to complete the afternoon schedule. Thursday evening will see Elmwood Park vs. Kelyvn Park at 6:30 p.m. and the Antioch-Fenton contest at 8:15 p.m.

Friday's action will start at 1 p.m. again with the loser's bracket playing at 1 and 3 p.m. The winners bracket will square off at 6:30 and 8:15 in the semi-finals.

Saturday will start with the consolation championship in the afternoon, 3rd place at 7 p.m. and the championship game scheduled for 8:30 p.m.

The Sequoits topped Kelyvn Park, Lake Park and Elmwood Park on three successive nights last year to take the tournament crown. "They will be trying to repeat that record this year but competition is rated a little tougher this year," Coach Roger Andrews said.

## Prisoners To Get Full Christmas Menu

Sheriff Charles E. Larson, in addition to being the Chief Law Enforcement Officer in the County, is also the Warden of the County Jail.

Under the Law he is responsible for the welfare of all incarcerated inmates who have no choice but to spend their Christmas holidays behind bars. It appears that the County Jail will have a full house of inmates this Christmas Season as there are 61 this date. There will be ample food for all that will be fed on Christmas Day.

There are eighty pounds of turkey on order. They will be stuffed with the appropriate ingredients and baked in the jail kitchen by Mrs. Irene Weiner.

The menu for Christmas Dinner will be as follows: Roasted Turkey with dressing; giblet gravy, cranberry sauce, mashed potatoes, candied sweet potatoes, sweet corn, pumpkin pie, coffee.

The possibility of curtailing heating and plumbing facilities is being considered, as the structure would not be in use in the winter.

The Salary committee, Dr. Richard Ripley, Wm. Brook and Boyd Osmond, has met with the Teacher's Welfare committee and expects to make a final report to the board on January 15 on agreements for 1964-65 salary schedules.

The board is considering confining the activity of the behind-the-wheel portion of its Driver Training program to the summer months. John Teresi, of Teresi Chevrolet, offered to donate the use of a second car to the Driver Training program, to supplement the one now being used which is provided by Lyons-Ryan Ford.

## Rescue Squad Gets Windfall

The Antioch Rescue Squad Fund received an unexpected contribution recently.

Remember the Antioch Youth Center, which functioned sporadically in Antioch for a few years? At the time the organization languished and finally ceased to function, Jerry Healy was president and Joanne Quilty was treasurer.

The organization met in room's over Borovicka's Walgreen Drug Store, courtesy of Mr. George Borovicka. People contributed to the fund for the center and some of the funds were used to finance activities. However, money remained in the treasury when the group finally abandoned their efforts to keep the Youth Center going.

The money left after all bills were paid has remained in an account at The First National Bank of Antioch for the approximately eight years since the demise of the Center. This Christmas Mr. Healy and Mrs. Weber decided something should be done about it, and consulted Mr. Stetten, president of the First National, as to how they could dispose of the money.

Mr. Stetten suggested that probably the best way to make sure the public received the benefit of the money was to donate it to the Antioch Rescue Squad Fund. Mr. Healy and Mrs. Weber agreed, and heaved a sigh of relief as they turned over the funds to the Rescue Squad.

## Xmas Dance At End of First Year

St. Peter's Social Center will celebrate its first anniversary with a dance on Saturday night, December 28.

The Center was built to provide a recreation center for all the youth of the area. It has been used in the first year for volleyball, basketball, dances and roller skating in addition to its use for the physical education classes of St. Peter's School.

A Grand Opening Dance was held at the recreation center on the Saturday after Christmas one year ago.

King Jaros will play for the dance this year. Father Henderson invites everyone in the community to attend.

## Mr. Roberts On Dec. 29

Dinner, the theater, and dessert and coffee after the play—that's the evening of entertainment being offered by the Antioch Grade School P.T.A. for the showing of "Mr. Roberts" on Sunday, Dec. 29.

All the proceeds of the evening's entertainment will go to finance the inoculation program at the Grade School. This is the P.T.A.'s major project, and this will be the only fund-raising event of the year.

Dinner will be at the Moose Hall, on Antioch's Main St., from 5:30 p.m. The play, "Mr. Roberts," an adult comedy, will be at the PM&L Theater, across the street from the Moose Hall. Curtain time is 7:30 p.m.

After-theater coffee and dessert will be back at the Moose Hall—an excellent opportunity to re-hash the high spots of the play, and join in chuckles over hilarious scenes.

Larry Welch will direct the play. The cast of characters include Bob Oddsen as Mr. Roberts; Dr. A. Buear as Ensign Pulver; Bob Andresen as Captain; Joseph Hunley as Doc. (This part will be played by Dr. Kopriva in other showings of Mr. Roberts); and Homer LaPlant as Chief Johnson. Other members of the cast include Preston Reckers, Gordon Rencher, Kenneth Smouse, Allan Moorman, Ray Lorenz, Dan Seyfarth, Stan Sutherland, Jeff Ryan, Bob Thomley, Frank Sebesta, Bill Sereshon and Nancy Seyfarth.

Reservations for the play and theater party may be made by calling 395-3811. Reservations for the PM&L showing of the play, on Saturday and Sunday, Jan. 4 & 5 and 11 and 12, may also be made by calling the same number.

## Delay Judging Of Jaycees Xmas Contest

The Jaycees have put off judging in their Home Christmas Lighting Contest until Sunday, December 29.

The judging was to have been done this past Sunday. However, because of the cold weather many people were delayed in getting their decorations up.

The original panel of judges will view the contestants' homes next Sunday—Edmund Vos of the Antioch Lumber & Coal Co., Frank Meier from Sears Lakeland Plaza and John Soffietti of Soffietti and Johnson, attorneys.

## CYO Sponsors Semi-Formal on Dec. 28

The Rhythm Kings will furnish the music for the semi-formal dance being held at the Lindenhurst Civic Center on Saturday, December 28. The dance is sponsored by the CYO of the Prince of Peace Church. The theme is "Winter Fantasy." Dancing will start at 8 p.m. and continue until midnight.

## Balloon Found In Michigan

The Antioch Savings & Loan Assoc. gave away toy balloons at the Christmas Fair recently. Attached to the balloons was a card from the First National Bank of Antioch, reading, "Yes, we give away free samples." The card was concerned with a game sponsored by the bank in which contestants guessed the number of pennies in a jar.

One of the card-bearing balloons was found by Robert Ruddy and Robert L. Hanson, as they walked along a Lake Michigan beach. They mailed the deflated balloon and the card to the Antioch Savings & Loan, with a letter telling where they had found it, and a request for one of the free samples mentioned.

The Savings & Loan Assoc. wrote to the young men thanking them for their letter and notifying them that both institutions had opened Savings accounts for \$5.00 for each of the young men.

## Public Aid Drops

SPRINGFIELD, Ill., Dec. 18—The Old Age Assistance, Aid to Dependent Children, and Blind Assistance rolls declined in October 1963, while the Disability Assistance and General Assistance programs registered gains. Harold O. Swank, director of the Illinois Department of Public Aid, reported a reduction in the total number of persons on public aid and expenditures compared to the previous month. A reduction in the number of persons receiving Aid to the Medically Indigent Aged and the amount of payments in their behalf contributed to the decline.

Lake County had 2,397 persons receiving assistance in October, at a total cost of \$122,921.00.

## Sales Tax For Aug.

The Illinois Department of Revenue reports that \$5,637.23 was collected in Antioch for sales tax in the month of August.

## L.V. Firemen Fight Blaze

By Bernice Bernau

Lake Villa firemen struggled in zero temperatures from about 1 a.m. Saturday to 6 a.m. to extinguish a fire in a vacant house at 2210 Sand Lake Road in Lindenhurst.

When the fire was finally extinguished, Fire Chief Irving Barnstable estimated damage of about \$7,000.00 had been done.

The house was vacant, a home formerly owned by Roger Pierce and now owned by the Lincoln Federal Savings & Loan Assoc. of Berwyn. Occupants were to have moved into the house Monday, December 23, and workmen had been busy in the house all day getting the furnace and plumbing in order.

Cause of the fire was not known. It seemed to originate around the chimney and spread between the floors, according to firemen.

Three trucks fought the blaze. Firemen had trouble with hoses because of the extreme cold. A neighbor, Mrs. Olex Bartling, served coffee to the firemen as they worked.

## Suspend Drivers License of Two

The office of the Secretary of State announces the suspension of the licenses of Henry E. Burger, Rt. 3, Box 243, Antioch, and Thomas J. Hucker, Lake Ave., Channel Lake, after three violations.

Speaker for the evening will be Walter E. Bischoff, Executive Officer of the Northern Illinois DeMolay. Subject of his speech will be "Doing Something About It," a lecture for teenagers.

The lecture will be preceded by a color and sound film narrated by John Cameron Swayze.

Tickets are available from members or reservations may be made by calling the Methodist church, 395-1259.

## Skating Pond Goes Begging

Looking for a place to try out those new Christmas skates?

Well, there's a brand-new, beautiful skating pond down in the Village Park on North Main St., that's just begging for skaters.

The skating pond is behind the Antioch Pool, and that's sort of behind the Scout House. It was built by several citizens who donated material, with the aid of the labor of village employees. It's kept clean of snow. But so far, the kids don't seem to have found it. Everyone's welcome to use the skating pond. It's on village property, of course, and there's no charge.

### Too Commercial?

"Christmas is getting so commercial there's no real spirit of Christmas left."

How many times have you heard this said during this Christmas season? How many times have you said it yourself?

Commercial? Go watch a group of school children taking part in their Christmas program. Listen to the clear, high voices singing "Silent Night" and "Away in a Manger". Watch the little ones valiantly performing a Christmas play.

Do they remind you of something? A little boy or girl—how many years ago did you play our part in these school programs? Did you think Christmas was commercial?

No, you won't find Christmas spirit in a bar. Or at an office Christmas party. Once-in-a-while you'll catch a glint of it in a busy store. Not too often.

As long as there are children, Christmas will be a time of wonder and joy. Why not? Christmas is love, and children are love, and that's what Christmas is all about—a Child and love.

### Last-Minute Fruitcake

Making goodies is a wonderful way to Christmas-shop at home. And, happily for the time-limits of the season, there's nothing old-fashioned about this fruitcake except the flavor. Start with Date Bread Mix, finish soon after with a homemade loaf that's perfect for giving—or serving. You can turn out individual Miniature Fruitcakes or a Fruitcake Ring for a buffet—both are just as speedily made as the traditional loaf. All are wonderfully delicious ways to say, "Happy Holidays."

#### Date Fruitcake

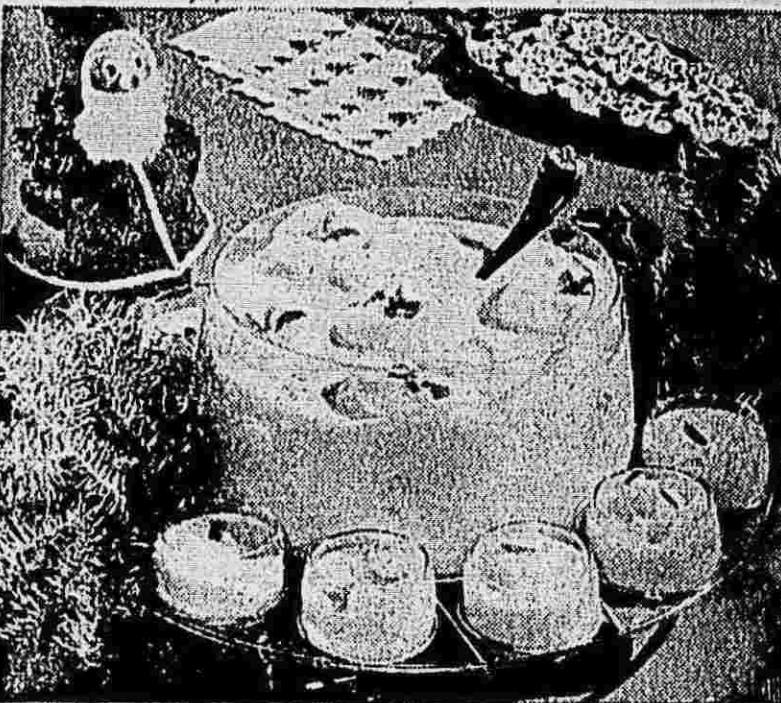

1 package Date Bread Mix 1 cup chopped nuts  
1½ cups chopped candied fruit ½ cup raisins

Prepare Date Bread Mix adding candied fruit, nuts and raisins with the dry mix. Turn into 8x4 or 9x5-inch loaf pan, greased and floured on bottom only. Bake at 350° for 70 to 80 minutes. Glaze with warm corn syrup and garnish with candied fruit. Cool thoroughly before slicing.

Miniature Fruitcakes: Bake in 24 paper-lined or greased muffin cups for 30 to 35 minutes.

Fruitcake Ring: Bake in 9 or 10-inch tube pan, greased and floured on bottom only for 65 to 66 minutes.

#### Eggnog

(Calories in one serving: 161)

1. Let stand in a small bowl or electric blender until dissolved . . . . . 2 saccharin tablets (¼ grain each) in 1 cup water

### MOOSE TOPICS

The children's Christmas party at the Moose lodge was a success. The lodge was well packed with kiddies. There were three clowns from Chicago Lodge Greater 3, and one from Antioch Lodge who performed for the kiddies. They are Ralph Ippoto, Harold Moll, Floyd Bradley of Chicago and Dick Jergensen of Antioch. Jerry Miller of Antioch Moose was Santa Claus.

Operation Santa Claus has been proceeding well and plenty of toys are rolling in, according to Chairman Robert Avery and Ed Petersen. There will be a New Year's party at the Antioch Moose on New Year's Eve. Moose members come one, come all.

By Pearl Kapell

"Tis the season to be jolly." That's what the song says. It isn't meant as just an idle remark. It's a command, a happy obligation. It's the pleasant duty of everyone, at Christmas time, to be jolly. That's the least you can do. And if you do a good job of it, it's really quite enough.

If you're finding it harder every year to be jolly at Christmas, better take stock of yourself. Are you trying to "keep up with the Joneses" in your gift-buying? Or trying to make sure that you're getting exact value given and received in gift exchanges?

Either one is enough to take the fun and jollity out of the Christmas season. And maybe the Joneses would feel a lot jollier if you gave them some little thing they didn't even know they wanted. Or just wished them a merry Christmas.

If you're so busy at the Christmas season that you're too tired to enjoy the real joy of the season, try just cutting out the parties and activities you don't really enjoy. Maybe addressing Christmas cards is getting to be too much of a chore. Maybe you could get really daring—just don't send any cards. At least, you'll make yourself and a few postal workers happy.

And if you want to really

### My Neighbors

"I realized I'd never recall all that I want for Christmas so I put it on tape for you!"

enjoy Christmas the way you did when you were a child, you might try offering your help at a children's home or a hospital. You'll probably get as tired as if you had attended a round of parties but you'll surely be much happier. And get that lovely Christmas glow which makes it possible to give a "Merry Christmas" which you really mean to your dearest enemy.

**Your Governor Reports**  
by OTTO KERNER

A few weeks ago, on a cold overcast day in West Germany, I approached the Brandenburg Gate at the infamous Berlin Wall.

The sense of tension and despair seems to increase with each step closer to the barrier. But it isn't until you actually climb up and look over the barbed wire, the armed guards and the machine guns that separate that divided city that you feel the full impact of this effort to civilization.

It is a moving experience to stand among free men and look upon the stark world of communism into a land where citizens are denied basic freedom under the harsh rule of Godless men. The wall seems to become a symbol of all that divides our world today, with the light of thriving, prosperous West Berlin on one side and the darkness of desolate East Berlin on the other.

The scene immediately brought to mind the "half slave, half free" description used one hundred years ago by our most famous Illinoisan, Abraham Lincoln, to

describe a tragic division of our own country.

A visit to Berlin forcefully points out how fortunate we are to be Americans, born in a country where freedom and liberty are as natural a part of our lives as the air we breathe or the food we eat. The enduring spirit of our nation offers mankind its best hope for a peaceful existence, a hope that becomes foremost in our minds during a Christmas season that has as its central theme, "Peace on Earth."

Anyone who sees the Berlin Wall joins in an unspoken pledge to do his best to preserve liberty and to see that all the nations on this earth, under God, have equal freedom. As a nation, we have solved the immense problems that existed when there were but two extremes, rich and poor. Now we must turn our attention to the world.

# Roger Ties Record As Sequoits Edge Ela-Vernon Bears

Vic Rogers tied a school record Friday night as the Antioch Sequoits edged a fired-up Ela-Vernon quint 61 to 58 on the loser's court. Vic hauled in 24 rebounds to tie the record set last year by John Hallways against Round Lake. Rogers also took the scoring honors by dumping in 27 points.

The Sequoits ran into a tougher opposition than they expected as the Bears put the pressure on throughout the game and at one point led by 7 points.

Antioch had a 10 to 13 advantage at the first quarter mark only to see it fade when Ela put on a 20-point second quarter rally to lead at half-time 33 to 30. The Sequoits held a slim 43 to 42 edge going into the final quarter and pulled it out in the last stanza, out-scoring the Bears 18 to 16 in the period.

Vic Rogers led the scoring for the Sequoits with 27 points, followed by Jeff Gates who hit for 12 points. Bernie Smith and Ed Matejka teamed up with Rogers to give Antioch a 49 to 29 advantage on the boards. Smith and Matejka had 7 and 10 rebounds respectively.

The Sequoits' shooting percentage is still below normal. They hit 23 of 69 attempts Friday night for a .33 clip. Ela had their troubles too, cashing 20 of 58 attempts for 35%.

benz scored 17 points and teamed with Tom Blackman and Sheehan to give the Sequoits control of the boards. Antioch jumped out to a 19 to 4 first quarter lead and were never in danger after that as coach Bruce Stahmer emptied his bench to give everyone a chance to play.

Mike Kelly and Tom Blackman followed in the scoring column with 17 and 14 points respectively. Sink was high for the losers with 23 points. Antioch took 80 shots, cashing 31 of them while the Bears hit on 14 of 55 attempts. The Sequoits completely dominated the boards, grabbing 67 rebounds to 20 for the Bears.

**Salem Central Smashes St. Mary's 71-41**  
The Salem Central Falcons scored their fourth straight win of the year by virtue of a 71-41 pasting of Burlington St. Mary's. The Falcons had a special incentive to win this game. A clipping stated that "The upcoming game with Salem should be a cinch for the Hilltoppers but other teams in the conference are going to give them a fight."

The Falcons "cinched" the game early by outscoring St. Mary's 8-0 in the early minutes of the game. St. Mary's never came closer than the 7 point spread at 8-1. The Falcons out-shot, out-rebounded, and out-hustled the outclassed Hilltoppers. The Falcons' tenacious defense was so stingy that it took St. Mary's almost seven minutes to score their first basket. Bob Hofer once again was the game's high scorer with 18 points. Glen Muhlenbeck hit for 14.

Hofer started the game off by dumping in the first 6 points of the game to start the rout. The Falcons led at the end of the first quarter 15-5.

The second quarter saw St. Mary's pick up somewhat. Each team scored 16 points. Bob Hofer's 6 points early in the quarter pushed Salem ahead 26-10, then St. Mary's narrowed the gap to 27-17, but two long set shots by senior Mark Olsen kept St. Mary's from coming any closer. The half ended 31-21.

For the second night in a row the Falcons had a big second half. Salem displayed its strong bench as Coach Dorm Grams substituted freely but still out-scored St. Mary's 40-20. Everyone got into the act in the third quarter while running up 19 points. Bob Hofer, Glen Muhlenbeck, and Lyle Foulke all scored 4 points. Bruce Dunek and Ron Well scored 3 and Joe Flaschner 1.

The fourth stanza was the most productive for Salem as the high-flying Falcons netted 21 markers. Glen Muhlenbeck collected 6, Hugo Hartman 5, Jim Herda 4, and

Man followed in the scoring column with 17 and 14 points respectively. Sink was high for the losers with 23 points. Antioch took 80 shots, cashing 31 of them while the Bears hit on 14 of 55 attempts. The Sequoits completely dominated the boards, grabbing 67 rebounds to 20 for the Bears.

**NEW SEAT BELT LAW**  
Illinois now has a seat belt law. Beginning July 1, 1964, two sets of safety belts must be installed in the front seat of all new passenger cars before they can be sold or licensed.

The Department of Public Safety will establish minimum performance standards for the belts themselves and specifications for the installation thereof. An approved listing of the belts which meet the established standards will be published and maintained. Sale or installation of any belt not on the approved list is prohibited.

Several states have recently passed seat belt laws. This trend is largely the result of research by safety engineers. These experts tell us that 50 to 75% of all motor vehicle fatalities could be prevented if drivers and passengers wore properly installed and fastened seat belts at all times.

There are many crash survivors who are able to give personal testimony of the value of safety belts. A recent newspaper story tells of a head-on collision in which four passengers in one vehicle were killed outright. The driver was wearing a belt and was slightly injured. In spite of many examples such as this, only 7% of the automobiles today are equipped with belts.

We feel certain the safety belt law will help reduce the annual motor vehicle death rate in Illinois. We hope car owners will also install belts in the back seat. Experience has shown that they increase riding comfort and lessen driving fatigue. Let's get them installed and make it a habit to use them.

**Salem Falcons Win Three**  
Falcon Rally Routs Big Foot  
By John Hansen  
After a sloppy and low scoring first half, the Salem Central Falcons exploded with a 46-point outburst in the second half to overwhelm Walworth Big Foot of the Southern Lakes Conference 57-32.

Three seniors led Salem in scoring. Capt. Bob Hofer was the game's high scorer with 13, Lyle Foulke had 10 and Jim Herda 8. Phil Dangierfield and Rich Lottig each had 8 for Big Foot.

Salem hit on only 17% of its first half shots as compared to a sizzling 60% the second half. Big Foot scored only 22 points against Burlington last week, so you can't say that the Chiefs had an off night.

It was a different Salem team that took the floor the second half. Joe Flaschner scored to make it 15-13 as the half started. Two freethrows gave Big Foot its 4 point spread back, but then Salem caught fire. After Bob Hofer hit to make it 17-15, Bruce Dunek dumped in 2 straight buckets to give Salem a 19-17 lead. Dennis Dunnsank a freethrow for Big Foot, then senior Lyle Foulke took things into his own hands. He poured in 5 straight points on 3 freethrows and a basket. Foulke's spurt gave Salem a 24-18 lead. Big Foot closed the gap to 24-20, but the next time they scored was in the 4th quarter after Salem had blitzed the Chiefs for 12 points in a row. Bob Hofer scored 4 points in this drive, Jim Herda, Ron Well, and Tom Lols each scored baskets and Lyle Foulke added 2 freethrows.

Lols' basket gave Salem a 36-20 lead with 7:03 left in the game. The Falcons outscored Big Foot 21-12 the remainder of the game to sew

**Lyons-Ryan "Warm Up" Used Cars**

What are the two hardest things to shop for in the unreasonably frigid pre-Christmas temperatures we've been "enjoying"? Christmas trees and used cars, we'd say. The two coldest places in the world are Christmas tree and used car lots.

It's pretty hard to make the Christmas-tree shopper comfortable. If you're like most of us, you'll take just anything you can find after standing in the cold wind a few minutes.

But Larry Ryan, of Lyons-Ryan Ford, has found a way to make his customers for used cars comfortable. You can take your time and look over the prospective buys in comfort. The used cars have been moved into the showroom at Lyons-Ryan Ford for the duration of the cold weather.

So if you can't think what to buy your wife for Christmas, here's a suggestion. Shop in comfort and buy her that second car she's been wanting. Of course, if you don't like the idea of giving her a gift that's second hand, we're sure they'll let you look at the new ones.

## Safeguard Your Health

### TENSE? HERE'S WHY

Is life less fun for you lately? Are you touchy and tired, often sleepless and vaguely depressed, seemingly without reason?

If your doctor has assured you that your health is good, you are probably a victim of tension.

A certain amount of tension, of course, is desirable. In healthy doses, the feeling of tension indicates that we are trying hard, concerned with our work, giving it our best effort.

Too much tension, however, interferes with progress. We find it more difficult to make decisions, twice as hard to handle and get along with people.

Tranquilizers, on the market just since 1956, are now the third largest-selling prescription drug. Retail sales hit \$200 million in 1961. Here are some of the reasons for this national attack of the jitters.

Americans have some home-grown problems the rest of the world is not subject to. Our culture is based on change. Our children are indoctrinated with the idea of success.

Shoemakers don't rear shoemakers in this land-of-the-free. The pressure is on them to send their sons to college.

In a classless society, everyone is free to do and be whatever he wants if only he tries hard enough. This idea can be emotional dynamite. Symptoms of tension and anxiety are actually emotional barometers, useful tools if you will learn to accept their message.

If you are constantly tense and tired, you are striving too hard—and probably in too many directions at once. Just taking a closer look at what you, personally, want to accomplish and to become can help.

Weed out pressures that come from outside. Maybe you don't really think your child has to go to college... do you personally really care about being a fashion plate... owning a brand new car?

Get comfortably acquainted with the idea that "you can't have everything" and you'll find that, actually, none of us really wants "everything."

When you have reduced your goals and your efforts to your own size, you'll find that anxious tension evaporates.

Sunday evening Dec. 15, for Christmas caroling and decorating the church for Christmas. Refreshments were served after the caroling.

The young people will have charge of the Sunday morning services at the church Sunday morning, Dec. 29.

The December meeting of the Ladies' Aid was held at the church Thursday, Dec. 5, with pot-luck dinner at noon. At 11 o'clock the business meeting and election of officers were held. The new officers for the coming year are: Mrs. George DeYoung, president; Mrs. Garrett Trout, first vice president; Mrs. Frank Edwards, 2nd vice president; Mrs. LaMont Ray, secretary, and Mrs. Walter Fontaine, treasurer.

After the dinner, Mrs. Bert Doolittle had charge of the program and devotions. Mrs. W. C. Petty of Antioch gave a book review.

Miss Margaret Paulsen of Evanston School of Nursing spent the week-end with her parents Mr. and Mrs. William Paulsen.

Mr. and Mrs. Reuben Squires and family of Madison, Wis., spent the week-end at the home of Mr. and Mrs. Garrett Trout.

Director of Christian Education for the Congregational and Christian Conference of Illinois was guest speaker at the Sunday morning service, Dec. 8. After the service a dinner was served at the church. The church board held their meeting at this time at the church.

The fifth, sixth and seventh grade pupils at Lake Villa Central School presented their musical version of "Christmas Around the World" to members of the P.T.A., parents and friends Monday evening, Dec. 16. A similar program was presented at B. J. Hooper school on Wednesday, Dec. 18, by the fourth, fifth and sixth graders from that school. In both programs the students presented music from nations throughout the world.

At the last Venetian Village Civic Association meeting, Melvin Karau was elected to the post of secretary to fill the unexpired term of Mrs. Clara Millar, who moved to California a few months ago. Also, the newly appointed Sunshine chairman, Mrs. Agnes Wilhelm, accepted the job of sending well wishes to residents in need of cheering up.

Mr. Edward Kostelny, president of the Association, scheduled a January meeting with the village collectors to determine a way of encouraging membership in 1964. The last important decision of the evening was setting the date of February 8 for their spaghetti dinner.

Since there was no regular meeting of the West Millmore Civic Association this month, officers and directors of the association met at the home of the president, Verne Mortenson, to present their reports and discuss how to get more people taking an active part in the West Millmore Association and community activities. Some of their ideas will be presented at the next regular open meeting to be held in January.

At the recent meeting of the Venetian Village Women's Auxiliary the following officers were elected: Marion Kostelny, president; Pat DeWig, vice-president; Ethel Moore, secretary; Cam Karau, treasurer; and Pat Wells, corresponding secretary. The nominating committee also recommended adoption of a plan to have the vice president automatically step up to the presidency should that office become vacant. After the meeting games were played and refreshments were served by Pat Wells and Clara Kuken.

Mrs. Richard Ruck, president of the Women's Society of Christian Service of the Lake Villa Methodist church states the Society will not hold any meetings in January or February of 1964. They will resume their meetings in March.

### Honored at Party

Scott Bartlett was honored at a party Thursday at his home in observance of his third birthday. Those present were Mrs. Bernard Schneider and son, Barry; Mrs. John Meyers and son, David; Mrs. Fred Bartlett, Sr. and grand-daughter, Carrie; Mrs. Lee Thullin and children all from Lake Villa, and Mrs. Bud Beager and daughter from Antioch.

**VFW Children's Party**  
Between 50 and 75 children were present Sunday at the VFW children's Christmas party. Carols were sung. Musician was Mrs. Bernard Schneider. Santa was present and each child received a gift. Dixie cups, cookies and pop were served. The parents enjoyed cookies and coffee.

# Yes, Virginia

(Editor's Note: The following editorial appeared in the New York Sun in 1897 in response to a letter from Virginia O'Hanlon, then eight years old. She wrote the editor of the New York Sun: "Dear Editor: Some of my little friends say there is no Santa Claus. Papa says, 'If you see it in the Sun it's so'. Please tell me the truth, is there a Santa Claus?")

Virginia, your little friends are wrong. They have been affected by the skepticism of a skeptical age. They do not believe except what they see. They think that nothing can be which is not comprehensible by their little minds. All minds, Virginia, whether they be men's or children's, are little. In this great universe of ours man is a mere insect, an ant, in his intellect, as compared with the boundless world about him, as measured by the intelligence capable of grasping the whole of truth, and knowledge.

Yes, Virginia, there is a Santa Claus. He exists as certainly as love and generosity and devotion exist, and you know that they abound and give to your life its highest beauty and joy. Alas! how dreary would be the world if there were no Virginias. There would be no child-like faith then, no poetry, no romance to make tolerable this existence. We should have no enjoyment, except in sense and sight. The eternal light with which childhood fills the world would be extinguished.

Not believe in Santa Claus! You might as well not believe in fairies! You might get your papa to hire men to watch in all the chimneys on Christmas Eve to catch Santa Claus but, even if they did not see Santa Claus coming down, what would that prove? Nobody sees Santa Claus, but that is no sign there is no Santa Claus. The most real things in the world are those that neither children nor men can see. Did you ever see fairies dancing on the lawn? Of course not, but that's no proof that they are not there. Nobody can conceive or imagine all the wonders there are unseen and unseeable in the world.

You tear apart the baby's rattle and see what makes the noise inside, but there is a veil covering the unseen world which not the strongest man, nor even the united strength of all the strongest men that ever lived, could tear apart. Only faith, fancy, poetry, love, romance, can push aside that curtain and view and picture the supernal beauty and glory beyond. Is it all real? Ah, Virginia, in all this world there is nothing else more real and abiding.

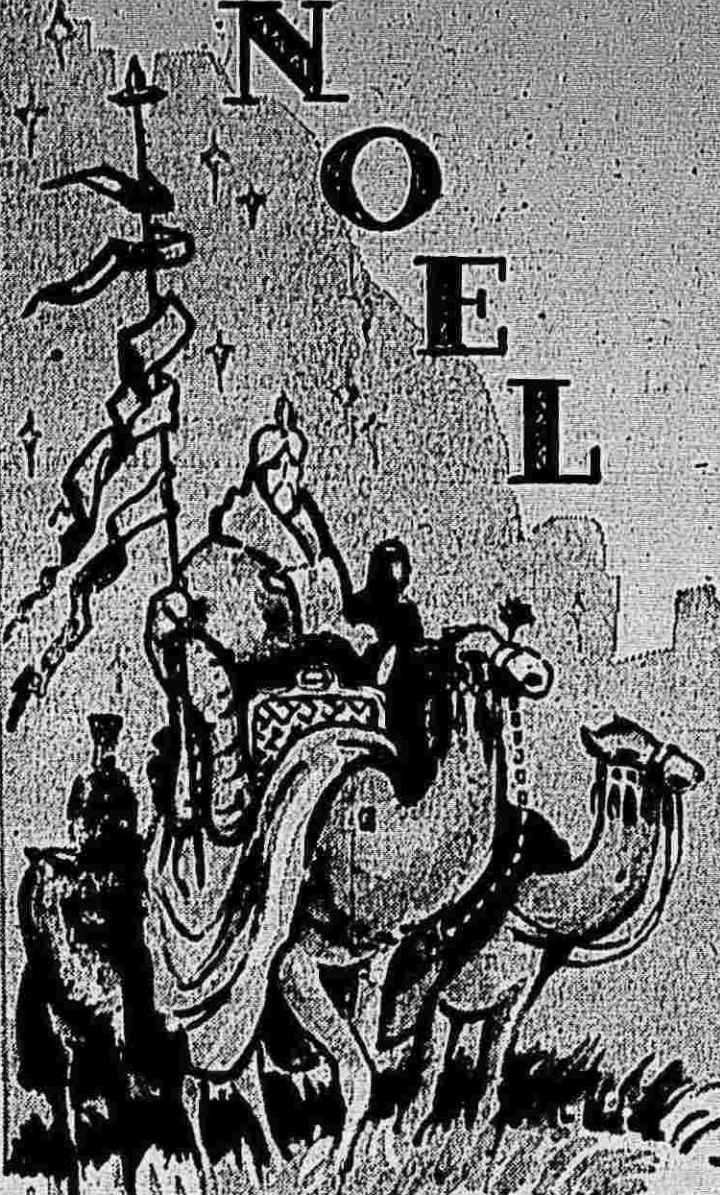

No Santa Claus! Thank God! he lives, and he lives forever. A thousand years from now, he will continue to make glad the heart of childhood."

### Home on Leave

Sgt. Richard A. Smith, son of Mrs. Bobby (Katherine) Gustafson, Walnut Drive, Crooked Lake Subdivision, Lake Villa, was home on leave for three weeks in November, from Germany. He brought with him his wife, Ingrid, and 14 month old daughter, Ingrid. They were married three years ago in Germany. The baby understands both German and English, but "no" was not familiar to her, in English. Richard enlisted in the Army six years ago, and expects to be discharged in March. He is stationed in Washington at the present time, but plans on living in Lake Villa when he is discharged. He is the brother of Al Smith, president of the Holy Name Society of Prince of Peace Church.

### Prince of Peace Church

Masses on Christmas Day will be at 8-9-10 and 11:15.

### Christmas Parties

The Altar and Rosary Sodality and the Holy Name Society of Prince of Peace church jointly gave the children of the parish a Christmas party at the Lake Villa School Sunday afternoon. The bleachers and the chairs were all filled, and the audience loudly applauded their approval of the program.

Mr. and Mrs. Santa Claus led the children singing Christmas Carols, and Sister Mary Aquinas sang a solo. The eighth grade class sang a Christmas song. While Christmas stocking were given to the children, cookies were given by the Altar and Rosary ladies.

Over at the VFW Hall, a 45-minute colored puppet cartoon was shown. Sponsors of the party were the Post and Auxiliary of VFW Post 4308. Al Hart of Lindenhurst was Santa Claus, since the real one was over at the church party. 180 gifts were given out. Mrs. Alice Spiller was chairman of the party. Each person who attended brought a gift of canned goods to be given to a needy family in the area. Toys also will be given.
